

CHRIST'S COLLEGE FINCHLEY

SIXTH FORM

www.christscollegefinchley.org.uk

Dear Student

The Christ's College Sixth Form is an amazing learning community. We have some of the most brilliant young minds, in their formative years, preparing for life at the country's top universities.

The Sixth Form is an integral part of our school and we are very proud of the young people we develop. All students are treated equally, cared for and given a very high standard of teaching and guidance to allow them to realise their aspirations. New students (boys and girls) will be warmly welcomed in to our friendly community.

We are a rich, diverse and dynamic, international community here. Students join Year 12, male and female, from other schools locally, nationally, and abroad. You will join a Sixth Form that is serious about helping you to achieve. We are delighted that you have chosen to visit us.

Our staff look forward to welcoming you.

Samson Olusanya
Headteacher

Claire Barnett
Head of Sixth Form

A WARM WELCOME TO THE SIXTH FORM AT CHRIST'S COLLEGE

First class teaching and guidance ensures that many of our students secure places at top universities.

At Christ's College Sixth Form we have a long standing tradition of delivering excellent academic results. Year after year four out of five applicants achieve their first choice of University. Our students enjoy a 100% pass rate in almost all A Level subjects. As Ofsted commented in December 2013: "Ambitious targets are set for students' achievement."

"The Russell Group introduced me to a variety of different events and talks regarding Medicine and has given me a clear idea of what the admissions tutors would expect from me. The exposure to such opportunities has allowed me to gather a feel for a variety of different universities, cementing my choices along the way."

**QASIM KHAN, FORMER SIXTH FORM STUDENT,
NOW UNIVERSITY MEDICAL STUDENT**

HIGH ACADEMIC STANDARDS - SUCCESSFUL FUTURES

Christ's College Sixth Form is a very warm, welcoming and supportive place where you'll be among friends.

The Sixth Form, however, is not all "heads down and study" it is also an important time to make new connections, develop collaborative working methods and commit to membership of a community that is caring, helpful and prepares you for adult life.

There are plenty of opportunities to be part of an environment in which there is informed discussion of issues important beyond the immediate concerns of Advanced Level studies and for decisions to be made about the society in which we live.

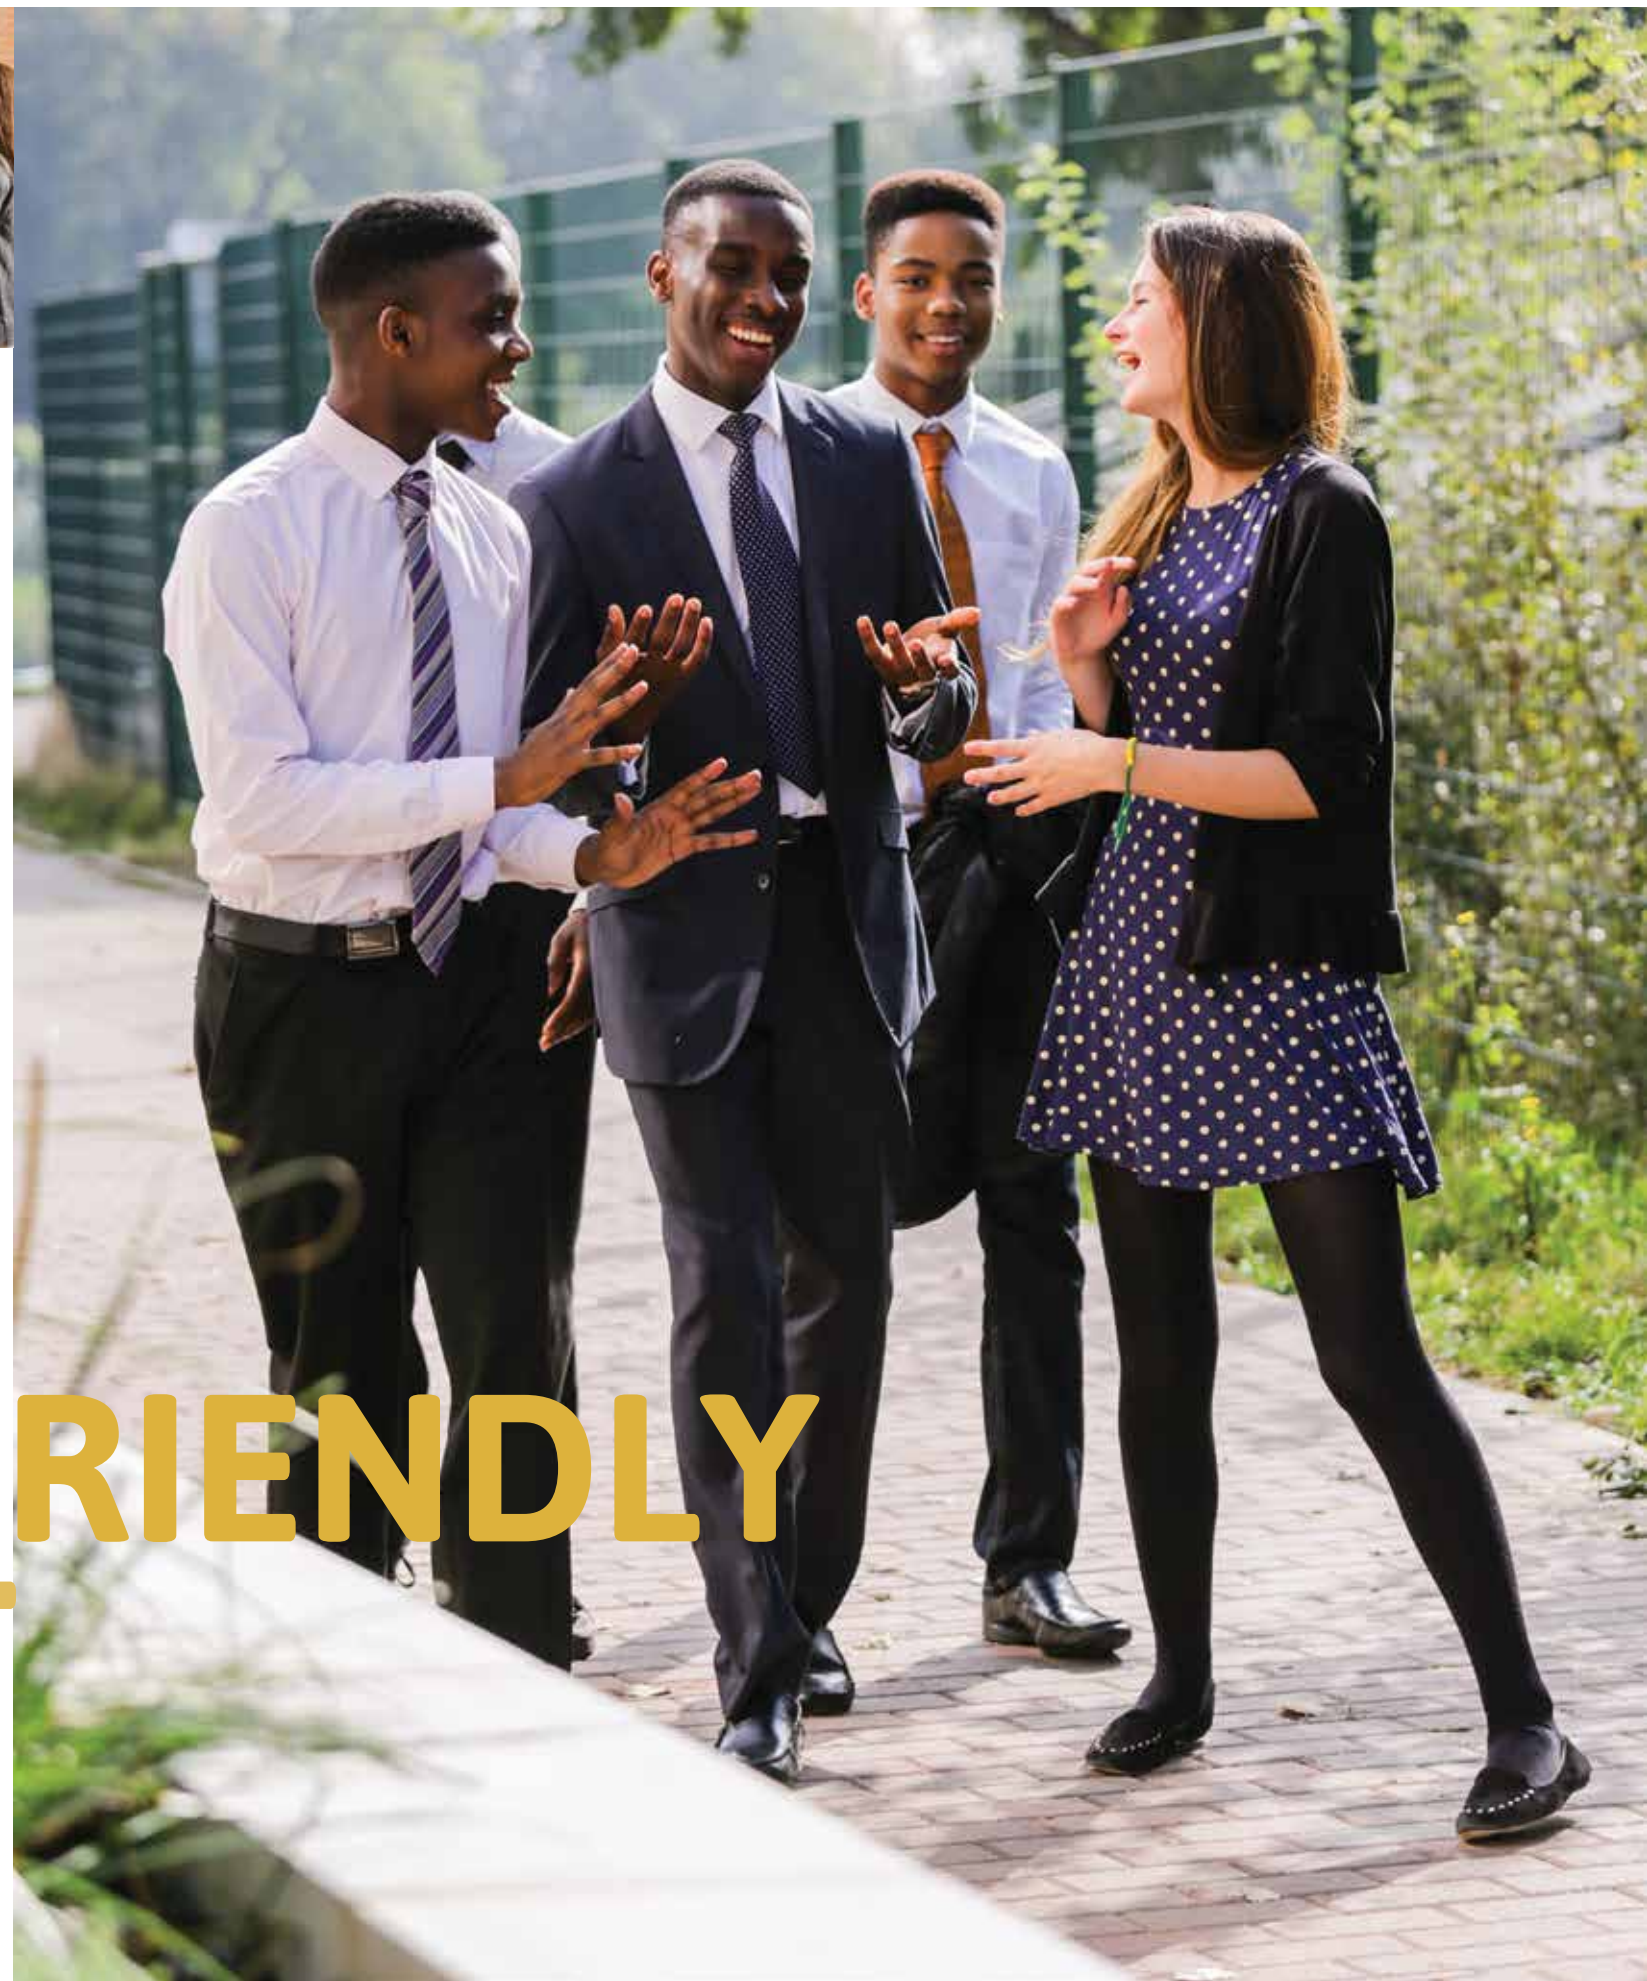

"The head of the sixth form is very supportive and caring. She works extremely hard to get the very best out of the students - both academically and socially."

**CHRISTINE REYLAND,
FORMER SIXTH FORM PARENT**

"The integration of students from all backgrounds is exemplary."

OFSTED REPORT 2013

A WARM AND FRIENDLY ENVIRONMENT

At Christ's College Sixth Form we aim to provide a fresh and exciting approach to learning to help you achieve your goals.

This objective is delivered through high quality teaching from caring staff in a brand new £4 million state-of-the-art sixth form centre. For those with the very highest aspirations, we deliver extra support and mentoring to help you prepare for Russell Group and Oxbridge applications. And, as a large and successful Sixth Form, we also provide a wide range of extra curricular activities to enrich learning.

"We had total confidence in the staff at Christ's College. The teachers encourage the students to aim high and support them academically and pastorally to achieve their goals."

KAREN MALYALI, FORMER SIXTH FORM PARENT

"The spiritual, cultural, moral and social education of the students is good. The school's strong values and social cohesiveness are evident in every aspect of the school."

OFSTED REPORT 2013

A FRESH AND EXCITING APPROACH TO LEARNING

In the Sixth Form you have your own brand new, purpose built 6th Form Centre, complete with private study areas and a modern common room.

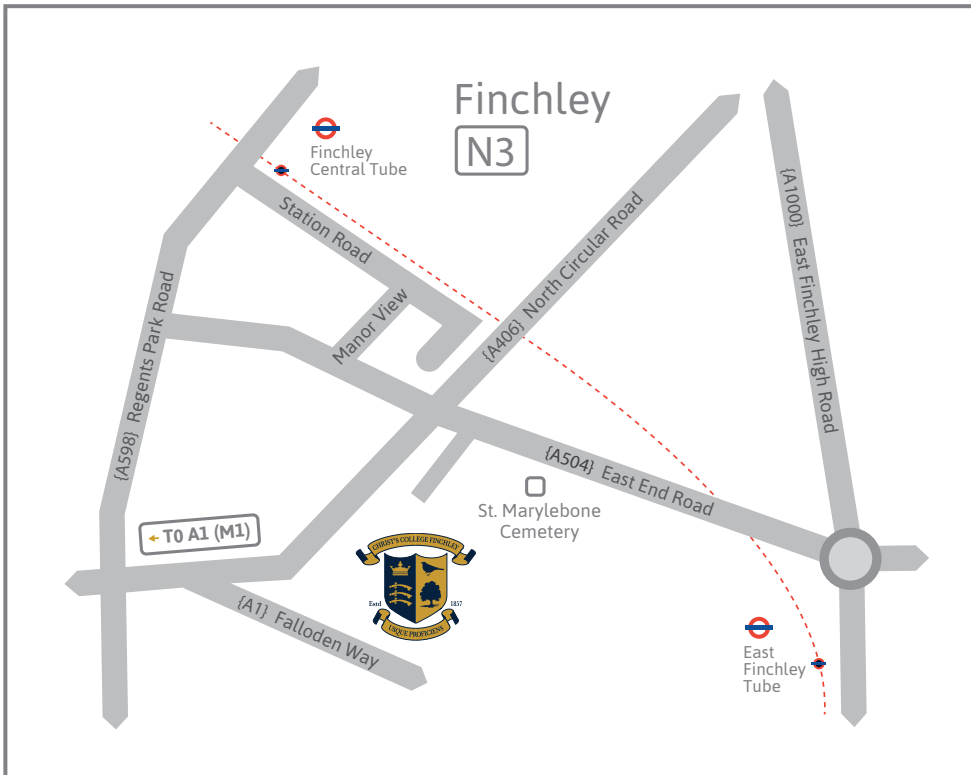

Sixth Form students may study in either the Library in the main school or the Sixth Form Study Centre located in the Sixth Form block.

The Library has books to support all areas of the curriculum, ICT facilities, internet links, and databases of information, periodicals, newspapers, audio-visual material, higher education information - all continually assessed and updated in line with the needs of the students.

"The school provided me with an environment where I could excel academically and also enjoy some of the best times of my life."

ADAM, EX STUDENT AND CAMBRIDGE UNDERGRADUATE
